Announcement is made of the Schedule from May 23rd Through September 1st **Baseball Tournaments to Arrive in Vineland** **For Seven Weeks of Summer**

Vineland, NJ, April 15, 2014 – The principals of Perfect Game, representatives of the City of Vineland and principals of Sora NE Development, developers of the proposed America’s Sports Resort (ASR) met yesterday to discuss event plans and their joint announcement of a 2014 schedule of baseball tournaments to be held in Vineland.

Perfect Game has scheduled tournaments for seven weeks of the summer, from May 23rd through September 1st, with a fall tournament schedule pending. The confirmed schedule includes approximately 250 teams competing in Vineland this summer. Perfect Game is devoted to furthering the development and career of the talented amateur baseball player. To that end, Perfect Game produces the very highest national level individual player showcases and team tournaments all over the United States.

“The influx of the traveling baseball teams, coaches, their family and friends will be a positive impact to the economy of Vineland,” stated Mayor Bermudez, “and we look forward to working with Mr. Barth and his organization to make the 2014 Vineland events a big success.”

This scheduling is a beginning to Vineland being one of Perfect Game’s locations for baseball tournaments in the US – and a preliminary to the additional fields that would be available for a full schedule when the proposed multi-faceted sports complex is developed in Vineland. The previously announced development has been renamed America’s Sports Resort (ASR) with plans calling for hosting baseball and other sports training and tournaments by 2016.

“There have been many individuals in Vineland working behind the scenes to help us make this happen, with the scheduling of the fields, hotels and more” stated Bob Barth of Perfect Game. “And we look forward to this being just the beginning in this location.” Also attending the planning meeting were Dale Elbeuf, Director of Recreation for the City of Vineland and Chamber of Commerce Executive Director Dawn Hunter. Council President Anthony Fanucci stated, “The tournaments are a great opportunity for the City to get an infusion of consumer spending from outside our community. We look forward to this becoming a permanent arrangement in the future with the partnership between Perfect Game and American Sports Resort.”
